

II Field Day of Malting and Brewing Industry

Barley and Malt Union (BMU) in cooperation with LLC Syngenta and with the assistance of the Ministry of Agriculture of the Russian Federation, Lipetsk Region Administration and the Union of Russian Brewers invites you to take part in the II Field Day of Malting and Brewing Industry, that will be held on July 6th on the base of the Syngenta Research Center. Venue: Boevoi proezd 26, 698037 Lipetsk, VNIPTIR (All-Russian Rape Research, Design and Technology Institute).

Participants: representatives of research institutes, malt barley breeders, seed farms, PPP (plant protection products) and fertilizer manufacturers, agricultural commodity manufacturers, traders, representatives of malting and brewing companies.

Scientific aspects: demonstrational plots with three replications (with and without PPP treatment), seeded with new malting barley varieties (registered in the State Register and those being on the State Variety Trial), as well as with standard varieties.

Manufacturing aspects: demonstrational plots seeded with new malting barley varieties (registered in the State Register) in accordance with the technology of the variety right holder.

The varieties showing best results on the State Variety Trial will be recommended by BMU for inclusion into the State Register of Selection Achievements of the fifth region of the Russian Federation.

The varieties registered in the State Register of Selection Achievements showing best results will be recommended for industrial use.

The winning varieties will be recommended by a joint committee consisting of the representatives of BMU (the Board) and URB (procurement managers and engineering managers).

The breeders and seed producers wishing to take part in the plot and industrial trials and to demonstrate their varieties in the framework of the Field Day, should send an application until March 31st, 2012.

The seed supply to the trial area should be accomplished by April 15th, 2012.

Any company can appear for a sponsor of the Field Day.

We are looking forward to seeing you at the II Field Day of Malting and Brewing Industry in Russia!
