Heads of the AIC managing
bodies of the Russian
Federation

On participation in the IV International
Conference

With the assistance of the Ministry of Agriculture of the Russian Federation, the Federation Council Committee on Agrarian and Food Policy and Environmental Management the Barley, Malt and Beer Union (www.barley-malt.ru) holds the IV International Conference «Equipment Facilities and Raw Material Base for Malting and Brewing Production» from 6 to 8 September, 2012.

The participants of the conference are representatives of the Ministry of Agriculture of the Russian Federation, leading breeders of Rosselkhozakademia, seed growers, producers of malting barley and hops, traders, producers of fertilizers and plant protection agents, representatives of the malting and brewing industries, manufacturers of machinery and equipment for the production chain “malting barley – beer”.

We kindly ask you to bring the information to the persons concerned, to the companies and agricultural producers occupied with malting barley growing.

Official delegations of the AIC managing bodies and representatives of scientific institutions take the opportunity of chargeless attendance.

Venue: Business Center SOAO "VSK", Ostrovnaya st., 4, Moscow (the program of the conference is placed on the website www.barley-malt-conference.ru)
