VII International Research and Practice Conference «Barley, Malt, Hops & Beer in Russia»

October 2015, Moscow

About the Union:

«Barley, Malt, Hops & Beer Union» will be four in January 2015. For a short period of time we became one of the largest and the most popular Union in the agro industrial complex of the Russian Federation. According to the traffic ranking of our website www.barley-malt.ru, the Union is the leader among Russian professional unions and one of the most popular top – 10.000 RuNet sites. This goes to prove that the Union is well known among Russian agro-industrial companies and countrywide.

Thanks to partnership relations with Private Brauereien of Germany, Technical University of Munich and Berlin, exhibitions Drinktec and BrauBeviale, international reputation of our Union is constantly increasing and high profile events such as «Beijing program» inspire respect with the Government. Regularly arranged trips like training of representatives of the production chain «malting barley – beer» in Germany, Oktoberfest, Green Week, Field Days DLG contribute to the Union's popularity.

Traditionally the activity of the Union is supported by the Ministry of Agriculture of the Russian Federation, Special-Purpose Committees of the State Duma and the Federation Council, Eurasian Economic Commission and the Federal Service for Alcohol Market Regulation.

Annual events of the Union: the Field Day «Barley, Malt, Hops & Beer in Russia» and the Conference «Barley, Malt, Hops & Beer in Russia» are attended by over 500 participants and enjoy well-deserved recognition with regional and federal authorities.

About the Conference

Beginning with 2009 the Union «Barley, Malt, Hops & Beer in Russia» organizes the annual scientific and practical International Conference «Barley, Malt, Hops & Beer in Russia», (www.barley-malt.ru/?cat=8) that is regularly attended by over 300 Russian and foreign representatives of all links of the production chain «malting barley - beer»: representatives of scientific and research institutes, malting barley breeders, seed farms, producers of plant protection agents and fertilizers, hops producers, agricultural producers, representatives of malting and brewing companies. Owners and top managers of the companies are among them.

The Conference is held with the support of the RF legislative and executive bodies responsible for the agro-industrial complex of the country.

In the framework of the Conference the best representatives of the industry are awarded by the Ministry of Agriculture of the RF, the Federation Council and the State Duma, results of the annual contest for the title of "The best producer of malting barley in Russia" and «The best agricultural project for production of malting barley» are announced. Every year over 200.000 people visit the website of the Union.

Over 300 representatives of the industry are supposed to participate in the Conference in 2015. In the framework of the Conference 2015 the following events are planned: the opening ceremony as a part of Russian Agricultural Exhibition «Golden Autumn 2015», the Round table «Development issues of the production chain «malting barley – beer» of the Eurasian Economic Commission».

Cost of participation in the Conference is free of charge.
